FLEX HUMANITIES DISTRICT PROGRAM
Student Application Form 2010 - 2011

The Flex Humanities Program is an enriched academic program with humanities, fine arts and language focus. Within the program there are a variety of activities, projects and learning opportunities beyond those of regular classes. Flex students (and their parents/guardians) should be prepared for frequent, occasionally extended field trips – including a three day camping trip at the beginning of each year and a one-week trip in the grade 10 year to Ottawa, Montreal, and/or Quebec City. This is determined in Grade 8.

Flex students are students who choose to become involved in a variety of interesting and challenging school activities and to take on positive leadership roles. These students enjoy the feeling of being a part of a group within the school which offers support and encouragement to its members and is also interested in reaching out to serve others.
